UCA International Users Group

- Incorporated in June 2002 as a 501(c)(3) Corporation
- Organization supports individual and corporate members from utilities, vendors, and others
- 111 corporate members
- Members from 29 countries
- Hundreds of “friends of UCAIug” – members of our various informative list servers

UCAlug Mission (from charter)

- The mission of the UCA International Users Group is to enable utility integration through the deployment of open standards by providing a forum in which the various stakeholders in the utility industry can work cooperatively together as members of a common organization to:
 - Influence, select, and/or endorse open and public standards appropriate to the utility market based upon the needs of the membership.
 - Specify, develop and/or accredit product/system-testing programs that facilitate the field interoperability of products and systems based upon these standards.
 - Implement educational and promotional activities that increase awareness and deployment of these standards in the utility industry.
